VANCOUVER, BC and GUANGZHOU, CHINA, May 29, 2007, BioLife Remedies, Inc.
(PINKSHEETS: BLRS)

BioLife Remedies, Inc. is pleased to announce that DIA-X™ is NOW available for retail and wholesale at www.blfrproducts.com. DIA-X™ is an herbal product developed by the company for men with Erectile Dysfunction from Diabetes.

The President and CEO of the Company, Jack Guo commented, "DIA-X™ is developed for diabetic male with E.D., and the product was derived from a century-old TCM herbal formula used traditionally for men with Diabetes Mellitus who have problems in their sexual activity. Our researchers did extensive studies and tests on the formula and identified the herbs that are effective in getting and keeping an erection for sexual activity while helping people to control blood glucose level." Mr. Jack Guo also commented, "If the diabetic men have developed symptoms of Erectile Dysfunction, it seems that other symptoms of complication may also be presented, such as frequent urination, so we suggest customers to taking Dia-X and Zutrol together for more effective recovery of health."
